

## NeuroMetrix to Present at Biotech Showcase 2015

WALTHAM, Mass.--(BUSINESS WIRE)-- NeuroMetrix, Inc. announced today that Shai N. Gozani M.D., Ph.D., President and Chief Executive Officer, will be presenting at the Biotech Showcase 2015 Conference being held in San Francisco, CA. Dr. Gozani intends to provide an overall business update and a discussion on Quell™, the Company's over the counter wearable pain relief device recently unveiled at the International Consumer Electronics Show (CES) in Las Vegas. A live audio and slide webcast will be available on the investor relations section of the corporate website - <http://www.NeuroMetrix.com/>. This webcast will be archived for one month after the live event.

Details of NeuroMetrix's presentation are as follows:

Event: Biotech Showcase 2015 Conference  
Date: Wednesday, January 14, 2015  
Time: 2:00PM Pacific (5:00PM Eastern)  
Location: Room: Mission I - Parc 55 Wyndham - Union Square Hotel

Co-produced by Demy-Colton Life Science Advisors and EBD Group, Biotech Showcase is an investor and partnering conference for private and public biotechnology and life sciences companies. Now in its seventh year, Biotech Showcase is expected to attract upwards of 1,500 attendees.

### About NeuroMetrix, Inc.
