No action, suit or proceeding shall be pending or threatened before any court or quasi-judicial or administrative agency of any federal, state, provincial, local or foreign jurisdiction or before any arbitrator wherein an unfavorable judgment, decree, injunction, order or ruling would prevent the performance of this Agreement or any of the transactions contemplated hereby, declare unlawful the transactions contemplated by this Agreement, cause such transactions to be rescinded or materially and adversely affect the right of Buyer to own or operate the Business, and no judgment, decree, injunction, order or ruling shall have been entered which has any of the foregoing effects.

(g) Governmental Authorizations. All governmental and regulatory filings, authorizations and approvals and other Permits that are required for the transfer of the Purchased Assets to Buyer or its Affiliates and the consummation of the transactions contemplated hereby shall have been duly made and obtained.

22

(a) Representations and Warranties. The representations and warranties of Buyer set forth in Article IV hereof shall be true and correct on and as of the Closing Date.

(b) Covenants. Buyer shall have performed and complied in all material respects with all of the covenants and agreements required to be performed by it under this Agreement on or prior to the Closing.

(c) Officer's Certificate. Buyer shall have delivered to the Company a certificate of an officer of Buyer, dated as of the Closing Date, certifying to the Company that the statements set forth in Sections 5.2(a) and 5.2(b) are true and correct as of the Closing Date.

(d) No Litigation. No action, suit or proceeding shall be pending or threatened before any court or quasi-judicial or administrative agency of any federal, state, provincial, local or foreign jurisdiction or before any arbitrator wherein an unfavorable judgment, decree, injunction, order or ruling would prevent the performance of this Agreement or any of the transactions contemplated hereby, declare unlawful the transactions contemplated by this Agreement or cause such transactions to be rescinded.

(e) Governmental Authorizations. All governmental and regulatory filings, authorizations and approvals and other Permits that are required for the assumption of the Assumed Liabilities by the Purchaser, and the consummation of the transactions contemplated hereby shall have been duly made and obtained.

(f) Assignment and Assumption of Lease and Landlord Consent. ARTICLE VI

INDEMNIFICATION AND RELATED MATTERS

6.1. Survival of Representations, Warranties, Covenants and Agreements. Other than the agreements contained in Articles VI, VII and VIII of this Agreement (the "Surviving Articles"), the representations, warranties, covenants and agreements contained in this Agreement and the certificates delivered hereunder pursuant to Article V shall not survive the Closing, but shall terminate upon completion of the Closing. No claim may be made by any Party hereto with respect to any provision hereof other than the Surviving Articles.

6.2. Indemnification.

(a) Company's Indemnification. Subject to each of the limitations set forth in this Article VI, the Company shall indemnify Buyer and its officers, directors, employees, agents, representatives, Affiliates, successors and permitted assigns (collectively, the "Buyer Parties") and hold each of them harmless from and against and pay on behalf of or reimburse such Buyer Parties in respect of any loss (including diminution in value), Liability, demand, claim, action, cause of action, cost, damage, deficiency, Tax, penalty, fine or expense, whether or not arising out of third party claims (including, without limitation, interest, penalties, reasonable attorneys', accountants' and other professionals' fees and expenses, court costs and all amounts paid in investigation,

defense or settlement of any of the foregoing) (collectively, “Losses” and individually, a “Loss”) which any such Buyer Party may suffer, sustain or become subject to, as a result of, in connection with, relating or incidental to or by virtue of the assertion against such Buyer Party of any Excluded Liability including, without limitation, any Excluded Liability asserted against Buyer as a result of the failure to comply with the terms of the “bulk sales,” “bulk transfer” or similar laws of any state or jurisdiction. For the avoidance of doubt, Excluded Liabilities shall not include those amounts Buyer has expressly agreed to be responsible for as provided in Article VII hereof.

(b) Buyer’s Indemnification. Subject to each of the limitations set forth in this Article VI, Buyer shall indemnify the Company and its officers, directors, employees, agents, representatives, Affiliates, successors and permitted assigns (collectively, the “Company Parties”) and hold each of them harmless from and against and pay on behalf of or reimburse such Company Parties in respect of any Losses which any such Company Party may suffer, sustain or become subject to, as a result of, in connection with, relating or incidental to or by virtue of the assertion against such Company Party of any Assumed Liability, any liability of Buyer, or any claim or cause of action by any Person arising after the Closing against the Company Parties with respect to the operations of the EyeTel/Digiscope Business on or after the Closing Date.

(c) Procedure. If a Party seeks indemnification under this Article VI, such Party (the “Indemnified Party”) shall give written notice to the other Party(ies) (the “Indemnifying Party”) promptly after receiving written notice of any action, lawsuit, proceeding, investigation or other claim against it (if by a third party) or discovering the liability, obligation or facts giving rise to such claim for indemnification, describing the claim, the amount thereof (if known and quantifiable), and the basis thereof; provided that the failure to so notify the Indemnifying Party

24

promptly shall not relieve the Indemnifying Party of its Liabilities hereunder except to the extent such failure shall have materially prejudiced the Indemnifying Party. In that regard, if any action, lawsuit, proceeding, investigation or other claim shall be brought or asserted by any third party that, if adversely determined, would entitle the Indemnified Party to indemnity pursuant to this Article VI, the Indemnified Party shall notify promptly the Indemnifying Party of the same in writing, specifying in reasonable detail the basis of such claim, and the Indemnifying Party shall be entitled to control the defense of such action, lawsuit, proceeding, investigation or other claim giving rise to the Indemnified Party’s claim for indemnification at the Indemnifying Party’s expense, and at the Indemnifying Party’s option (subject to the limitations set forth below) shall be entitled to appoint lead counsel of such defense with a reputable counsel reasonably acceptable to the Indemnified Party; provided that, in the event that the Indemnifying Party elects to control such defense, such Indemnifying Party shall be deemed to have agreed to be fully responsible (with no reservation of rights) for all Losses relating to such claim.

Notwithstanding any provision contained herein to the contrary, the Indemnifying Party shall not have the right to assume control of such defense and shall pay the reasonable fees and expenses of counsel retained by the Indemnified Party, if (i) the claim over which the Indemnifying Party seeks to assume control (A) seeks non-monetary relief, (B) involves criminal or quasi-criminal allegations, (C) involves a claim to which the Indemnified Party reasonably believes an adverse determination would have a material and adverse effect on the Indemnified Party’s reputation or future business prospects or (D) involves a claim that the Indemnifying Party failed or is failing to vigorously prosecute or defend or (ii) the Indemnifying Party is not able to demonstrate to the satisfaction of the Indemnified Party, in its sole discretion, that it has assets sufficient to satisfy all Losses relating to such claim and such fees and expenses of its counsel to defend such claim.

If the Indemnifying Party exercises the right to control the defense of any third-party claim as provided above, then the Indemnified Party shall have the right to employ its own counsel in any such action and to participate in the defense thereof at its own expense, unless the Indemnifying Party has specifically authorized the employment of such counsel in writing, in which case the fees and expenses of such counsel shall be borne by the Indemnifying Party. Similarly, if the Indemnified Party controls the defense of any such claim, then the Indemnifying Party shall have the right to employ its own counsel in any such action and to participate in the defense thereof at its own expense. If the Indemnified Party determines in its reasonable discretion that there exists or is reasonably likely to exist a conflict of interest that would make it inappropriate for the same counsel to represent both the Indemnified Party and the Indemnifying Party, then the Indemnified Party shall be entitled to retain its own counsel in each jurisdiction for which the Indemnified Party reasonably determines counsel is required, at the expense of the Indemnifying Party.

In the event that the Indemnifying Party exercises the right to control the defense of any third-party claim as provided above, then the Indemnified Party shall cooperate with the Indemnifying Party in such defense. Similarly, in the event that the Indemnified Party is, directly or indirectly, controlling the defense of any such claim, then the Indemnifying Party shall cooperate with the Indemnified Party in such defense. The Indemnifying Party shall obtain the prior written consent of the Indemnified Party before entering into any settlement of a claim or ceasing to defend such claim.

25

(d) Payments. The Indemnifying Party shall pay the Indemnified Party in immediately available funds promptly after the Indemnified Party provides the Indemnifying Party with written notice of a claim hereunder and the Indemnifying Party agrees in writing to pay such claim.

(e) Tax Treatment of Indemnity Payments. The Parties hereto agree to treat all payments made pursuant to this Article VI as adjustments to the Purchase Price for Tax purposes and that such treatment shall govern for purposes hereof, except to the extent that the laws of a particular jurisdiction provide otherwise.

(f) Maximum Contribution. If and to the extent any provision of this Article VI is unenforceable for any reason, the Indemnifying Party hereby agrees to make the maximum contribution to the payment and satisfaction of any Loss for which indemnification is provided for in this Article VI that is permissible under applicable legal requirements.

ARTICLE VII

ADDITIONAL AGREEMENTS

7.1. Tax Matters.

(a) Certain Taxes and Fees. Buyer shall be responsible for, as and when due, all transfer, documentary, sales, use, stamp, registration and other such Taxes and fees (including any penalties and interest thereon) incurred by reason of the transfer of the Purchased Assets and the Assumed Liabilities

under this Agreement. Buyer shall file all necessary Tax Returns and other documentation with respect to all such transfer, documentary, sales, use, stamp, registration and other such Taxes and fees, and if required by applicable law, any of the other Parties hereto will execute and join in the execution of any such filing.

(b) Cooperation on Tax Matters. The Parties shall cooperate fully, as and to the extent reasonably requested by any other Party, in connection with Tax issues applicable to this Agreement, including providing 2008 and 2009 tax information.

(c) Disclosure. Buyer, the Company and their respective representatives may disclose to any and all persons, without limitation of any kind, the tax treatment and tax structure of the transactions contemplated by this Agreement and all materials of any kind (including opinions or other tax analyses) that relate to such tax treatment and tax structure, all as contemplated by Treasury Regulations section 1.6011-4(b)(3)(iii).

(d) Closing Conditions. The Company shall have delivered to Buyer a certification (in such form as may be reasonably requested by counsel to Buyer) conforming to the requirements of Treasury Regulations section 1.1445-2(b)(2).

7.2. Press Releases and Announcements. No press releases related to this Agreement and the transactions contemplated hereby, or other announcements to the employees or customers of the Company, shall be issued without Buyer's prior written consent. No press

26

release or other announcement related to this Agreement and the transactions contemplated hereby shall be issued without the Company's prior written consent.

7.3. Further Assurances. Without any additional consideration, the Company shall execute and deliver such further instruments of conveyance and transfer and take such additional action as Buyer may reasonably request to effect, consummate, confirm or evidence the transfer to Buyer and its Affiliates of the Purchased Assets and any other transactions contemplated hereby. Without any additional consideration, Buyer shall execute and deliver such further instruments of conveyance and transfer and take such additional action as the Company may reasonably request to effect, consummate, confirm or evidence the assumption by Buyer of the Assumed Liabilities, consummation of the other Closing Transactions and any other transactions contemplated hereby. The Company will notify the FDA of the transfer of ownership of all FDA-regulated assets and FDA Permits for such assets subject to this Agreement within five Business Days of the Closing Date and provide Buyer copies of all such notifications.

7.4. Specific Performance. The Company acknowledges that the Company's business is unique and recognizes and affirms that in the event of a breach of this Agreement by such Person, money damages may be inadequate and Buyer may have no adequate remedy at law. Accordingly, the Company agrees that Buyer shall have the right, in addition to any other rights and remedies existing in its favor, to enforce its rights and the Company's obligations hereunder not only by an action or actions for damages but also by an action or actions for specific performance, injunctive and/or other equitable relief, in each case without the requirement of posting a bond or proving actual damages. If any such action is brought by Buyer to enforce this Agreement, the Company hereby waives the defense that there is an adequate remedy at law.

7.5. Expenses. Except as otherwise provided herein, each of the Parties shall pay all of its own fees, costs and expenses (including, without limitation, fees, costs and expenses of legal counsel, investment bankers, broker or other representatives and consultants and appraisal fees, costs and expenses) incurred in connection with the negotiation of this Agreement, the other Transaction Documents, and the performance of the Company's and Buyer's obligations hereunder.

7.6. Non-Competition, Non-Solicitation and Confidentiality.

(a) Non-Competition. During the period beginning on the Closing Date and ending on the fifth anniversary of the Closing Date (the "Non-Compete Period"), the Company shall not, and shall not authorize any of its respective Affiliates to, directly or indirectly, market, distribute, license, sublicense, offer for sale, sell or otherwise provide any products, supplies or services related to imaging and diagnostic services for preventable blindness associated with age-related macular degeneration, glaucoma and diabetic retinopathy, wherever located.

(b) Non-Solicitation. The Company agrees that, during the Non-Compete Period, without the prior written consent of Buyer, it shall not, and shall not permit any of its Affiliates to, directly or indirectly:

27

(i) contact, approach or solicit for the purpose of offering employment to or hiring (whether as an employee, consultant, agent, independent contractor or otherwise) or actually hire any Transferred Employee or any other employee of Buyer and its Affiliates;

(ii) solicit or attempt to induce any customer or other business relation of Buyer into any business relationship which might materially harm Buyer or any of its Affiliates, or to divert any such customer or business relation to any other entity or Person; or

(iii) disparage Buyer or any of its Affiliates or any of their respective officers, directors, principals or employees.

(c) Confidentiality. The Company shall treat and hold as confidential any information concerning the business and affairs of the Company that is transferred hereby that is not already generally available to the public, including any notes, analyses, compilations, studies, forecasts, interpretations or other documents that are derived from, contain, reflect or are based upon any such information (the "Confidential Information") and refrain from using any of the Confidential Information except in connection with this Agreement. Notwithstanding the foregoing, Confidential Information shall not include information that is (i) generally available to the public other than as a result of a breach of this Section 7.6(c) or other act or omission of the Company or (ii) rightfully received after the Closing Date from a third party not under any obligation of confidentiality with respect to such information. In the event that the Company is requested or required (by oral question or request for information or documents in any legal proceeding, interrogatory, subpoena, civil investigative demand, or similar process (each a "Legal Request")) to disclose any Confidential Information, such Person shall notify Buyer promptly of the request or requirement so that Buyer may seek an appropriate protective order or waive compliance with the provisions of this Section 7.6(c). If, in the absence of a protective order or the receipt of a waiver hereunder, the Company is, on the advice of counsel, compelled to disclose any Confidential

Information pursuant to a Legal Request or else stand liable for contempt, such Person may disclose the Confidential Information pursuant to a Legal Request; provided that such disclosing Person shall use its reasonable efforts to obtain, at the request and cost of Buyer, an order or other assurance that confidential treatment shall be accorded to such portion of the Confidential Information required to be disclosed as Buyer shall designate.

(d) Non-disclosure. The Company shall keep confidential the subject matter described herein until the content and timing of a public announcement determined by the Buyer, and such public announcement shall be made only pursuant to Section 7.2 except if otherwise required by applicable law.

(e) Remedy for Breach. The Company acknowledges and agrees that in the event of a breach by it (or any of its Affiliates) of any of the provisions of this Section 7.6, monetary damages shall not constitute a sufficient remedy. Consequently, in the event of any such breach and notwithstanding anything to the contrary contained herein, Buyer and/or its successors or assigns may, in addition to other rights and remedies existing in their favor, apply to any court of law or equity of competent jurisdiction for specific performance and/or injunctive or other relief in order to enforce or prevent any violations of the provisions hereof, in each case without the requirement of posting a bond or proving actual damages.

28

(f) Enforcement. If the final judgment of a court of competent jurisdiction declares that any term or provision of this Section 7.6 is invalid or unenforceable, the Parties agree that the court making the determination of invalidity or unenforceability shall have the power to reduce the scope, duration, or area of the term or provision, to delete specific words or phrases, or to replace any invalid or unenforceable term or provision with a term or provision that is valid and enforceable and that comes closest to expressing the intention of the invalid or unenforceable term or provision, and this Agreement shall be enforceable as so modified after the expiration of the time within which the judgment may be appealed.

(g) Acknowledgment. The Company acknowledges and agrees that (i) the restrictions contained in this Section 7.6 are reasonable in all respects (including, without limitation, with respect to the subject matter, time period and geographical area) and are necessary to protect Buyer's interest in, and value of, the Purchased Assets (including, without limitation, the goodwill inherent therein), (ii) the Company is primarily responsible for the creation of such value and (iii) Buyer would not have consummated the transactions contemplated hereby without the restrictions contained in this Section 7.6.

. The Company shall not in any manner take any action which is designed, intended or would reasonably be anticipated to have the effect of discouraging customers, suppliers, vendors, manufacturers, service providers, employees, lessors, licensors and other business relations of the Company from maintaining the same business relationships with Buyer and its Affiliates after the date of this Agreement. Without in any way limiting the generality of the foregoing, the Company shall not sue or otherwise pursue any claims against any business relation of the Company with respect to any Purchased Asset or Assumed Liability or with respect to any previous contractual relationship between the Company or any customer thereof (collectively, "Customers or Business Relations"); provided, however, that (a) the Company shall be entitled to defend itself against any claims brought by any such Customer or Business Relation or to assert counter-claims, offsets or any affirmative defenses against such Customer or Business Relation, (b) if any third party shall bring any claim against the Company that the Company reasonably believes is the responsibility or liability of a Customer or Business Relation, then the Company shall have the right to bring a claim in the nature of impleader against such Customer or Business Relation with respect to such claim and (c) the Company shall be entitled to pursue causes of action against any Customer or Business Relation or as otherwise necessary to protect or enforce their rights with regard to any Excluded Asset or Excluded Liability.

7.7. Business Records. The Company shall provide copies of all binders, records, files and folders related to the due diligence, acquisition and closing of the EyeTel/Digiscope Business.

7.8. Customer Data. The Company shall provide copies of all performance measurement and financial documentation and data, to the extent available, related to the revenue, sales and billing to EyeTel/Digiscope Business customers.

7.9. Quality and Regulatory Documents. The Company shall provide copies of all documents, investigations, reviews, filings, and any other documentation related to any of the Permits listed on Schedule 3.14 or any other regulatory or quality filing, submission or investigation related to the EyeTel/Digiscope Business.

29

7.10. Occupation of Premises. Company shall permit the Buyer to occupy the Leased Properties, consistent with the operations of the EyeTel/Digiscope Business from the Closing Date until Buyer's assumption of the Lease on December 1, 2008.

7.11. Payments With Respect to Purchased Assets. The Company shall promptly remit to Buyer all monies received by the Company or any of its Affiliates (other than the payments made by Buyer hereunder) following the Closing Date in payment for any Purchased Assets acquired by Buyer pursuant to this Agreement. Payments remitted to Buyer or any of its Affiliates pursuant to this Section 7.10 shall be in the form received by the Company or any of its Affiliates.

7.12. Access to Records; Cooperation. Buyer shall reasonably cooperate, as and to the extent reasonably requested by the Company, in connection with any litigation or other proceeding with respect to Excluded Assets or Excluded Liabilities. Such cooperation shall include the retention and (upon the Company's request) the provision of records and information which are reasonably relevant to any such litigation or other proceeding and making employees available on a mutually convenient basis to provide additional information and explanation of any material provided hereunder.

7.13. Waiver. The Company irrevocably waives any and all actions, causes, rights or claims, whether known or unknown, contingent or matured, and whether currently existing or hereafter arising, that it may have or hereafter acquire against Buyer and/or its respective officers, directors, employees, agents and representatives in any way, directly or indirectly, arising out of, relating to, resulting from or in connection with this Agreement or any of the transactions contemplated hereby other than claims under the Surviving Articles of this Agreement. Buyer irrevocably waives any and all actions, causes, rights or claims, whether known or unknown, contingent or matured, and whether currently existing or hereafter arising, that it may have or hereafter acquire against the Company and/or its respective officers, directors, employees, agents and representatives in any way, directly or indirectly, arising out of, relating to, resulting from or in connection with this Agreement or any of the transactions contemplated hereby other than claims under the Surviving Articles of this

Agreement. The Company and Buyer intend to effect, to the maximum extent permitted by law, a complete and knowing waiver of its rights as set forth herein.

7.14 **Bulk Sales Laws.** The Parties each hereby waive compliance by the Parties with the provisions of the “bulk sales,” “bulk transfer” or similar laws of any state or jurisdiction.

ARTICLE VIII

MISCELLANEOUS

8.1 **Amendment.** This Agreement may not be amended or modified except (a) by an instrument in writing signed by or on behalf of Buyer and the Company or (b) by a waiver in accordance with Section 8.2.

8.2 **Waiver.** Any Party to this Agreement may (a) extend the time for the performance of any of the obligations or other acts of the other Parties, (b) waive any inaccuracy in the

30

representations and warranties of another Party contained herein or in any document delivered by such Party pursuant hereto or (c) waive compliance with any agreement of another Party or condition to another Party’s obligations contained herein. Any such extension or waiver shall be valid only if set forth in a writing executed by the Party to be bound thereby. Any waiver of any term or condition shall not be construed as a waiver of any subsequent breach or waiver of the same term or condition or as a waiver of any other term or condition of this Agreement. The failure of any Party to assert any of its rights under this Section 8.2 shall not constitute a waiver of any of such rights. No course of dealing between or among any persons having any interest in this Agreement shall be deemed effective to modify, amend or discharge any part of this Agreement or any rights or obligations of any Party under or by reason of this Agreement. All rights and remedies existing under this Agreement are cumulative to, and not exclusive of, any rights or remedies otherwise available.

8.3 **Notices.** All notices, claims, demands and other communications given or delivered under this Agreement shall be in writing and shall be deemed to have been duly made or given when personally delivered, mailed by first class mail, return receipt requested, or delivered by express courier service or via facsimile (with hard copy to follow) to the respective Parties at the following addresses (or such other address for a Party as shall be specified in a notice given in accordance with this Section 8.3):

8.4 **Binding Agreement; Assignment.** This Agreement and all of the provisions hereof shall be binding upon and inure to the benefit of the Parties and their respective successors and permitted assigns; provided that neither this Agreement nor any of the rights, interests or obligations hereunder may be assigned by operation of law or otherwise without the prior written consent of the Company and Buyer. Notwithstanding anything to the contrary in this Section 8.4, without the consent of any Party, each of Buyer and its permitted assigns may at any time, in their sole discretion, assign, in whole or in part, (a) their right to purchase the Purchased Assets and assume the Assumed Liabilities to one or more of their Affiliates (provided that no such

31

assignment shall release Buyer from its obligations hereunder); and (b) their rights under this Agreement and the other Transaction Documents, in whole or in part, to any subsequent purchaser of Buyer, such permitted transferee or any of their divisions or any material portion of their assets or the Purchased Assets (whether such sale is structured as a sale of stock, sale of assets, merger, recapitalization or otherwise).

8.5 **Severability.** Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement is held to be prohibited by or invalid under applicable law or public policy, such provision shall be ineffective only to the extent of such prohibition or invalidity, and all other terms of this Agreement shall remain in full force and effect for so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any Party.

8.6 **Construction.** The language used in this Agreement shall be deemed to be the language chosen by the Parties to express their mutual intent, and no rule of strict construction shall be applied against any person. Nothing in the Schedules attached hereto shall be deemed adequate to disclose an exception to a representation or warranty made herein unless the Schedule identifies the exception with reasonable particularity and describes the relevant facts in reasonable detail. The Parties intend that each representation, warranty and covenant contained herein shall have independent significance. If any Party has breached any representation, warranty or covenant contained herein in any respect, the fact that there exists another representation, warranty or covenant relating to the same subject matter (regardless of the relative levels of specificity) that the Party has not breached shall not detract from or mitigate

the fact that the Party is in breach of the first representation, warranty or covenant. The word "including" shall mean including without limitation regardless of whether such words are included in some contexts but not others.

8.7 Captions. The captions used in this Agreement are for convenience of reference only and do not constitute a part of this Agreement and shall not be deemed to limit, characterize or in any way affect any provision of this Agreement, and all provisions of this Agreement shall be enforced and construed as if no caption had been used in this Agreement.

8.8 Entire Agreement. This Agreement, including the Exhibits and Schedules hereto, and the documents referred to herein contain the entire agreement between the Parties and supersede any prior understandings, agreements or representations by or between the Parties, written or oral, which may have related to the subject matter hereof in any way.

8.9 Counterparts. This Agreement may be executed in multiple counterparts, each of which shall be deemed an original but all of which taken together shall constitute one and the same instrument.

8.10 Governing Law. All question concerning the construction, validity and interpretation of this Agreement shall be governed by and construed in accordance with the laws of the Commonwealth of Massachusetts applicable to contracts executed in and to be performed in the Commonwealth of Massachusetts.

32

8.11 Parties in Interest. Nothing in this Agreement, express or implied, is intended to confer on any person other than the Parties and their respective successors and assigns any rights or remedies under or by virtue of this Agreement.

8.12 Consent to Jurisdiction. THE PARTIES AGREE THAT JURISDICTION AND VENUE IN ANY ACTION BROUGHT BY ANY PARTY PURSUANT TO THIS AGREEMENT SHALL PROPERLY AND EXCLUSIVELY LIE IN ANY FEDERAL OR STATE COURT LOCATED IN THE COMMONWEALTH OF MASSACHUSETTS. BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH PARTY IRREVOCABLY SUBMITS TO THE EXCLUSIVE JURISDICTION OF SUCH COURTS FOR ITSELF AND IN RESPECT OF ITS PROPERTY WITH RESPECT TO SUCH ACTION. THE PARTIES IRREVOCABLY AGREE THAT VENUE WOULD BE PROPER IN SUCH COURT, AND HEREBY WAIVE ANY OBJECTION THAT SUCH COURT IS AN IMPROPER OR INCONVENIENT FORUM FOR THE RESOLUTION OF SUCH ACTION. THE PARTIES FURTHER AGREE THAT THE MAILING BY CERTIFIED OR REGISTERED MAIL, RETURN RECEIPT REQUESTED, OF ANY PROCESS REQUIRED BY ANY SUCH COURT SHALL CONSTITUTE VALID AND LAWFUL SERVICE OF PROCESS AGAINST THEM, WITHOUT NECESSITY FOR SERVICE BY ANY OTHER MEANS PROVIDED BY STATUTE OR RULE OF COURT.

8.13 Delivery by Facsimile. This Agreement and any Transaction Document, and any amendments hereto or thereto, to the extent signed and delivered by means of a facsimile machine, shall be treated in all manner and respects as an original contract and shall be considered to have the same binding legal effects as if it were the original signed version thereof delivered in person. At the request of any party hereto or to any such contract, each other party hereto or thereto shall re-execute original forms thereof and deliver them to all other parties. No party hereto or to any such contract shall raise the use of a facsimile machine to deliver a signature or the fact that any signature or contract was transmitted or communicated through the use of facsimile machine as a defense to the formation of a contract and each such party forever waives any such defense.
